

FLOWCET

BATHING SENSIBILITIES

WE HAVE NO HISTORY, NO JOURNEY, WE ARE YOUNG & CREATIVE

FLOWCET INDUSTRIES LLP introduces
'Flowcet' a stylish makeover for your
bathrooms. Incorporate splendor in your daily
bathing routine by integrating artfully
designed bathroom solutions from Flowcet.

Elegant collection of sophisticatedly crafted
faucets and showers will refresh, revitalize and
rejuvenate you at the same time. Our
products are crafted as per Indian sensibilities
and are regularly upgraded and improvised to
bring forth a new innovative collection for you
every year!

CORE VALUES

WORKING WITH INTEGRITY

We at Flowcet believe in integrating transparency and veracity in all our work ethics ensuring honesty in all our functions and dealings.

BUILDING RELATIONSHIPS

We strive towards creating long lasting association with our patrons erected on the strong foundation of trust.

PROVIDING EXCELLENT CUSTOMER SERVICE

Our services to the customers extend way beyond selling of the products. We are ever ready with our competent customer service when required.

INNOVATING & UPGRADING

We have a knack for latest technology and breakthrough innovations which keeps us upgraded in accordance with current demands.

EXCELLENCE THROUGH INNOVATION & TECHNOLOGY

OUR PHILOSOPHY

Nothing is more fluid than water. It has the power to imbibe our desires and cleanse away our dilemmas. It is as inside us as it is outside. A good bath has known to induce great ideas and still inspires creative minds. We figured out a way to channelize this flow of awesomeness of water through equally awesome shapes molded impeccably to embellish your bathrooms to give you a feeling of unique personal space.

INNOVATION WITH COMFORT

Innovations in our designs are always connected with comfort. Latest technology, progressive concepts and convenience blend wonderfully in all our products both concealed and exposed.

QUALITY WITHOUT COMPROMISE

We aim to deliver best quality products to our customer. We continuously strive to maintain high standards with both passion and purpose, creating products whose design, material, finish and technology continue to set new benchmark.

ECOLOGICAL SUSTAINABILITY

We have a great regard for ecological sustainability and the philosophy is ingrained in each aspect of everything we do. Our products are technologically advanced and equipped with features to significantly reduce the consumption of water and energy.
